CELEBRATE GOLDEN WEDDING

Mr. and Mrs. W. C. Davis celebrated their golden wedding anniversary Saturday evening November 22, 1919 at their home on Fourth South St.

In spite of the inclement weather, over fifty guests were present to greet this splendid couple and congratulate them on their successful and happy wedded life.

The home was beautifully decorated with chrysanthemums. Mr. and Mrs. Davis received their guests in the parlor, and after the reception, the following program of music, singing and speeches was greatly enjoyed:

Song, "America"—Everybody.
Prayer, —John Bilby.
Address—J. R. Welker.

Song, "When Silver Threads Are Gold Again"—Little Henrietta Davis.
Short Speeches—Judge A. G. McAlister, W. K. Dial and R. A. Armstrong.

Comic Speech—Roderick Williams.
Piano Duet—Mrs. Louie Nelson and Miss Minnie Davis.

Song, "Dream of Paradise"—Edwin Davis.

Comic Song—J. Gale.
Mr. and Mrs. Davis, who were married in Utah in 1869, gave a very interesting account of their life in the early days of Utah and Arizona. Eleven children were born to them, of whom seven are living and four are dead. There are also thirty-two grandchildren.

Only five of their children were present. They were Edwin Davis, of Globe; Abner and Clarence Davis of Pima; Mrs. Louie Nelson and Miss Minnie Davis.

After the program, a delightful supper was served to the guests. The tables were prettily decorated with flowers.

Mr. and Mrs. Davis were the recipient of many handsome presents in gold, silver, china and cut glass and fifty dollars in gold.

TOWN OF THATCHER

GOES BONE DRY

If you had been in Thatcher some time between last Friday and Tuesday, you would have met men, women and children, with empty buckets or pails, walking hither and thither, went from east to west, searching for water, but no water could be found, the town water system being disrupted on account of the heavy rains at the source of supply, washing out the pipes.

The town was completely dry for five days and school had to be closed one day, as there was no water to be used in the radiators. And when the water did come on again Tuesday evening, there was a general rejoicing throughout the community.

BASKET BALL GAME

Friday, the High School basket ball teams were excused from classes at 10:00 o'clock and departed from Safford to meet the Morenci and Clifton teams on their own floors.

The Morenci teams were anxious to revenge their defeat of the preceding week in Safford, and were all set for a big time Friday night.

A game between the girls of the two schools was the first event of the evening. It was a well-played, interesting game. The Safford girls played an unusually fast game and had their opponents on the watch every minute. But not being accustomed to the small floor and surroundings in general, lost to Morenci by a score of 19 to 21. The Safford girls lined up as follows: Florence Angle and Winnie Pepper, forwards; Eva Boice and Beatrice Woods, centers, and Ethna Clifford and Bernice Sowell, guards. The boys' team was somewhat crippled on Friday evening, due to the fact that Woods, one of our reliable forwards, was unable to play. Despite the fact that the so-called hall looked like a dry goods box to the Safford boys, a fast, close game was played.

Morenci won the second event by a small margin, the score being 28 to 36. Robles and Daughterty, as forwards Merrill at center, and M. Broderick and Clifford as guards, represented Safford.

The Morenci people entertained their visitors after the games, by serving light refreshments, after which a dance was given.

Shortly after 11:00 o'clock p. m. the Saffordites returned to Clifton to spend the night and await the events of Saturday.

At 12:00 o'clock noon, Saturday, the entire party was in Metcalf, where a game was to be played between the girls. The weather was rather unfavorable for the contest, which occurred on an outside court, but the girls played a very spirited game and Safford won a close contest, the score being, Safford, 12 to 10, Morenci, 12.

Lay a bet on
rolling 'em with

**PRINCE
ALBERT**
the national joy smoke

ROLLING your own cigarettes with Prince Albert is just about as joy'us a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin's cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take to it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jimmy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. And, me-o-my, what a wad of smokesport will ripple your way every time you fill up!

Tobacco Co.

Awaiting your say-so, you'll find toppy red bags, tidy red tins, handsome pound and half pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moisture top that keeps Prince Albert in such perfect condition!

R. J. Reynolds Tobacco Company
Winston-Salem, N. C.

Coach Robertson made some changes in her line-up for this game, the players being: Winnie Foster and Florence Angle, forwards; Norma Pepper, center and Ethna Clifford and Beatrice Woods, guards.

The last and probably the most interesting game took place in Clifton on Saturday night. Again the hall had a dry-goods box effect, but the team was somewhat accustomed to this by that time and played a different game than that of the previous evening.

The Safford boys proved to be too fast for Clifton and carried away the larger end of the score, which stood 55 to 21.

Robles, at forward, was the star of the game, scoring the largest number of points.

Notwithstanding the fact that Clifton lost, they played a good, clean game and treated their visitors in a manner that showed a high standard of sportsmanship.

Robles and Woods played as forwards; Merrill as center and Broderick and Clifford as guards.

Refreshments were served after the game, and later in the evening the group had a good sociable time at an informal dance.

Everyone had a good time on the trip and were well pleased with the results of the games. Some consolation is obtained in the fact that the Safford teams can easily win from Morenci on a regulation floor.

RECLAMATION PROJECT

Among the most important addresses made before the State Resources Board, at Phoenix, November 9th, were those by Andrew Kimball, of Graham county, and George H. Maxwell, of this city.

Mr. Kimball, who had just returned from Washington, gave the board the information he gathered at the national capital, relating to what may be done for Arizona by the Federal government.

From conferences with many senators and representatives, Mr. Kimball reached the conclusion that, in the present temper of congress as to the need of economy it is hopeless to expect a direct appropriation for any irrigation project.

The pending bill by Senator Jones of Washington, providing for an appropriation of 250 million dollars for the completion of reclamation projects, heretofore begun, and for the construction of such new works as may be approved by the Secretary of the Interior, the money to be expended under the provisions of the Federal reclamation law, stands an excellent chance of enactment. Mr. Kimball reported, and this is in line with letters received by Sims Ede, the secretary of the board, from Senator Ashurst and Congressman Hayden—Senator Ashurst having stated that twenty to twenty-five millions are standing ready for this bill, and that if it becomes a law, he

CHANGES IN PHELPS DODGE OFFICIALS

Douglas.—According to reliable unofficial information, there is to be a change in the management staff of the Phelps Dodge interests in Arizona in the near future. A. T. Thomson, who for the past two years has been assistant to President Walter Douglas, with headquarters at Douglas, will return to his former position with the company in New York and P. G. Beckett, who is also an assistant to Walter Douglas, will return to Arizona from New York, and take the position that Mr. Thomson has been filling.

Mr. Beckett was for years the superintendent of the Old Dominion company at Globe and resigned that position two years ago to go to New York to accept the position with the Phelps Dodge Corporation.

Mr. Thomson prefers to live in New York city.

Robert Rae, who has been the auditor for the Phelps Dodge corporation for a number of years, left Douglas for Eastland, Texas, where he goes to make his future home, having been appointed as general manager of the Southwestern Oil & Development Co. According to official announcement effective November 1st, Hugh Gallagher, former assistant to Mr. Rae, has been promoted to the position of general auditor.

Robert R. Boyd has arrived in Bisbee from Globe, where he was assistant superintendent for the Black Warrior mine, to take up the position of assistant superintendent of mines with the Copper Queen company.

and Senator Mark Smith and Congressman Hayden will want all the assistance they can get from the people of Arizona in urging upon the Secretary of the Interior of the merits of the San Carlos project, the Parker project and the need of conserving the waters of the Gila near their source in order to prevent devastation from floods.—Arizona Republican.

Splendid Cough Medicine

"As I feel that every family should know what a splendid medicine Chamberlain's Cough Remedy is, I am only too pleased to relate my experience, and only wish that I had known of its merits years ago," writes Mrs. Clay Fry, Ferguson Station, Mo. "I give it to my children when they show the slightest symptoms of being croupy, and when I have a cough or cold on the lungs a very few doses will relieve me, and by taking it for a few days I soon get rid of the cold."

THOUSANDS PROCLAIM THE MERITS OF PE-RU-NA

Read Their Letters

Mrs. Martha C. Dale, R. F. D. 1, Cannon, Del., writes: "I am entirely cured of chronic catarrh of the stomach and bowels by PE-RU-NA."

Mr. J. Bayer, Glendale, Oregon: "There is no medicine like PE-RU-NA for catarrhal deafness."

Mrs. Kate Marquis, Middleburg, Ohio: "PE-RU-NA cured me of catarrh of the head and throat."

Mr. J. H. Collins, Wesson, Mississippi: "PE-RU-NA makes me feel vigorous and able to work without that tired, weak feeling I usually have otherwise."

Mrs. P. Ludvigsen, Austin, Minnesota: "I got rid of my liver trouble and can eat anything since taking PE-RU-NA."

Mrs. L. Hearing, 283 East 169th St., New York City: "For catarrh of the head and stomach, I have found PE-RU-NA better than any other medicine."

Mr. W. H. Edgar, 49 Cooper St., Atlanta, Georgia: "PE-RU-NA cured me after I had suffered fifteen years with rheumatism."

Mrs. Leona Dodd, R. No. 3, Medon, Tennessee: "PE-RU-NA is a grand medicine for coughs and colds."

So many diseases are due to catarrh and catarrhal conditions, makes PE-RU-NA the best medicine in the world to have on hand for emergencies and general health protection. Thousands of families are never without a bottle of PE-RU-NA or a box of PE-RU-NA Tablets in the medicine cabinet. That is the safe way. You can buy PE-RU-NA anywhere in tablet or liquid form.

NEURALGIA

Dangerous drugs or tonics are of little use. They may relieve the pain but do not remove the cause. The help that counts most is nourishment.

SCOTT'S EMULSION

rich in purest Norwegian cod-liver oil, feeds the weakened nerves and at the same time enriches the blood. Do not take nerve sedatives or nerve stimulants, take Scott's. It is the standard tonic-food that puts strength in place of weakness. Be sure it's Scott's Emulsion.

The exclusive mode of cod-liver oil used in Scott's Emulsion is the famous "A. S. Process." It is a scientific method of extracting the oil from the livers of the finest cod fish, and of purifying and preserving it in its natural state. Scott's Emulsion, manufactured by J. H. Scott & Co., Ltd., London, England.
